

Dräger X-plore® 3300 Half Mask

Practical use and comfort: Dräger X-plore® 3300 offers both and additionally excels by its economical and low maintenance use.

Dräger „FlexiFit“ head harness

- Innovative, pliable material
- Ergonomic design
- Easy donning and doffing
- Excellent fit, remains in position on every head without trapping any hair
- Good pressure distribution: the head harness does not exert pressure, even under the helmet

Compact „low profile“ design

- Side positioning of the filters and flat construction
- Excellent field of vision
- Good fit for use under protective
- Three sizes (S, M, L) are available to fit every face

Innovative X guide of the harness

- Very easy to adjust
- Optimal weight and stress distribution
- Excellent wearer comfort

Flexible nasal area

- Special design for extra tight fit and good shape – even with safety goggles

Safer bayonet-type connectorn

- Inserting the filters is easy: both filters are inserted from above and guided down to the connection point
- Cannot be fitted incorrectly

Benefits

Flexible nose area for secure fit

The special design of the nose sealing strip ensures leak free sealing and an optimal fit with safety glasses. The three sizes (S, M, L) ensure a perfect fit for every face.

"FlexiFit" head harness

The new smooth material ensures excellent fit to your head without hair entanglement. You won't notice it under your hard hat!

Low maintenance and cost effective

Dräger X-plore 3300 is a low maintenance half mask. The right choice for all those who require inexpensive and comfortable respiratory protection.

"Low profile" design

The swept back position of the filters guarantees a wide field of vision free from obstruction and ensures optimal fit for use under protective visors. The modern design leads to a longer wearing tolerance by the user.

Easily adjustable head harness

Cross over straps ensure an even weight distribution - giving you ultimate comfort without pressure.

Versatile use

The X-plore 3300 is equipped with two lateral bayonet connections for use of the comprehensive Dräger X-plore® bayonet filter series.
